
Determine the amount of sales in Iran and the Convention on International Sale of Goods

motahareh amiri shahraji*, Dr. Mohammad Asadi Nejad,

Abstract Commitment and adherence to the fundamental principles and obligations of the contract is effective. Determine the amount of the transaction is subject of the transaction and demystify various ways such as observation, expression ... it is completed and negligence of course, in some transactions, such as contracts, detailed clarification is not needed, however, to determine the criteria by certain not anything mystical ambiguity of the transaction amount is sufficient. In the contract of sale, whether domestic or international, the seller must deliver goods in accordance with the contract to the customer. If the vendor the obligation of delivery of goods according to the offense committed, there are some remedies for the customer. One of the Convention on the International Sale of Goods guarantee that the customer takes delivery of substitute goods is requested. The Convention on the International Sale of Goods Relying on conventional trade agreement with the goodwill of the parties to the contract that specifies the amount of the transaction.

Keywords : Keywords: sales, amount, the Convention on the International Sale of Goods
