**General reference of people compliant is court, but some issues have been considered due to their specialty and sensitivity according to law, and they are certain references. Including references given in the law are ^ Labor dispute settlement authorities^ . Law of civil procedure is related to general courts of law, as labor dispute settlement authorities are special references and the law requires specific procedures with specific legal conditions of work. For this reason, compare the two procedures (working procedure and civil procedure) were for identify common ground and remove ambiguity due to the insistence of the drafters and also it seemed necessary to clarifying the silence procedure based on the Civil Procedure code and even caused target society dominance on working procedure. That is why in the present study we have been considered a comparative study of civil procedure and procedure work in terms of process principles. And came to the conclusion that any procedure in addition to the general principles, Certain principles such as the principle of tripartism in its own working procedures. Evidence in Civil Procedure Procedure work with little changes.**
