Ebrahim Sobhi ajbishe*, Sayd Ali Mirebrahimi,

Non-dissolve is a character of binding contract. Dissolution of a binding contract is possible while you observed option to exist. Option is a term in the jurisprudence and law, that means to unilateral dissolution of contract. Option in verbal noun means authority that meaning the authority that a person has for dissolution of contract. A public suggestion has made to follow of jurisprudence books in Iran's civil law, that is not exist in other country. With due attention to kinds of options and studying the base of them, we can obtain that the options have not the same bases. Sometimes dissolution of a binding contract is about the contract maker wishes and sometimes the lawgiver gave right to correspondents for protecting their rights in special conditions. So we should study the base of each option separately. However with induction in bases of options we'll get tow results, the main bases of options is according to sovereignty of each autonomy and non-harmful to another. Option universally is supportive. In general sale using of options is not possible generally and using of options in general sale containing to the rules that this thesis explain them in details.
