
Artists design approach to social stability

maryam hooshangi*,arash mehgani,

The Society for growth and prosperity in addition to facilities and infrastructure require intellectual and cultural hotbed. . One of the most important elements in advancing the intellectual and cultural societies, art and the artist is the creator of it. is. In a broader sense, paving the way for excellence raises the human spirit. Here by sends to the audience. But this engagement needs to create the right atmosphere in the Arts and Culture for artists community and the province of Gilan, regardless of the geographical and political divides the cradle fostered many artists who lack cultural space - Henry forced to migrate or isolation, and Rasht, Gilan province as metropolitan in placeless and objectives appropriate to the cultural - artistic identity to the community. As far as is always the artists of the lack of educational facilities and research in the field of arts suffer in this project after reviewing the factors affecting the issue, stemming obstacles and according to the findings and observations that the plan fits the needs and standards. related, have been proposed

Keywords : Keywords: art, artist, culture, social stability
