

The Study of the Distinguish Between Administrative and Private Contracts Regarding Contractus, Enforcement and Traces

Masoomeh Mehraban*, Zohre Rahmani,

Various agreements entered into by administrative bodies. Administrative contracts such special contracts Adaryand organizations. The purpose of the administrative contracts not only contracts for public administration organizations, but also Administrative and private contracts are considered as one of the most important in the relationship between natural and juristic persons. There are some factors which require for concluding an administrative and a private contract. The aim of the current study is to investigate these factors and the distinguish between administrative and private contracts regarding contractus, enforcement and traces. Administrative and private contracts have so much in common, especially public rule, however, there are some differences between them in the private rules. In a public contract, there are some elements such as public favor that makes distinctions them with a private contract. The bid use much for executing in administrative contracts, unlike private contracts.

Keywords : Contracts, Administrative Contracts, Private Contracts, Administrative and Private Contracts Distinguish
