# **The wife's financial rights to the assets and earnings acquired by the wife during marriage**

Zahra Sami Khoshk Estalkhi\*, Zohreh Rahmani,

**Marriage is one of the most important contracts that a person makes during his life. Making this contract due to woman's personality features and also the role he play in marriage during his common life in the family is very important. Islam based on his totality issued a specific legal system for approving family and saving woman's right. In legal system of Islam regarding similarities and differences of man wife and husband and principle of fiscal independence and saving personality and woman's right make relationship as spouse is given independence to be able to play his right well. Current writing has been written in three chapters that at the first chapter totality about fiscal right of spouse is considered. At the second chapter principles and effects of fiscal right of spouse is considered and at the third chapter cooperation of spouse in assets and instances of spouse will be analyzed.**

**Keywords : fiscal right, fiscal independence, marriage, spouse**
