# Constitutionalism Movement and its impact on families in Iran and France

Mersedeh hedayat raad\*,Zohreh rahmni (phd),

**Abstract** One important debates and challenges in family law issue-oriented command works in family law Since the order of integration with the rights of individuals linked The explanation of this issue is very important in family law. Since the order of calling the basic rights and civil rights of individuals can have an impact works. In terms of family law in a divided these works can be divided into financial and nonfinancial rights. In terms of financial rights, economic rights, which is to say that the Iranian law Unlike French law, especially in the female employment restrictions due to the interest taken into account. In the non-financial rights can be divided into civil and political rights must be said Iran's rights according to Islamic context as well as restrictions on women's rights in particular is considered However, French law in these cases look almost parallel to the rights of men and women who seem to be more rooted in the principle of freedom.

**Keywords :** Keywords: family law, command-oriented economic rights, civil rights
