

Diversion in family disputes, the need and mechanisms

maedeh ghadimi*,Dr.meghdadi,

Abstract: In this study diversion in family disputes, a mechanism is necessary and in verse 35 of Surah of the Qur'an as women, it can be all things to the judge and the court did not divert yourself be solved within the family (referring to the diversion); diversion strategy Technology to reduce the density of Justice claims the authorities and certainly relative. Relativity mentioned solution, obvious and logical, because the absolute diversion in the sense of closure and removal proceedings and Justice judgment task in a certain sense, it is the duty of the government The results showed that the mean ignoring the issue of diversion of Justice as a general rule, formal grievances reference is not It means that people in family disputes shall be referred to the Justice Reference mediation (Council of dispute resolution) that may be rights in a faster, easier, cheaper, and therefore act more fair, visit If you do not see the compromise of reference with regard to the reference to the necessity and justice of the court of justice by a public official.

Keywords : Key words: diversion, family disputes, arbitration. Conciliation, Mediation..
