

The survey of limited condition of business on the contract work on the iran`s law

Mohammad Javad Akbarian*,Vahid Zarei Sharif,

Business restriction condition is imposed on worker in order to maintain a competitive position employer in the contract workers and control the workers to keep trade secrets and legal relationship with the employer rivals .Since the condition , cap creates a lot , it is necessary to function of several conditions that the legitimacy of the interests of the employer, determining the issue and limitation of time and place the implementation of the conditions and the lack of public order and social interests at odds with it .our rights restriction on the condition of the business and labour law and must be the general rules governing the conditions and the obligations , and the condition of the legal system in Iran is accepted . This research is seeking to the condition and the conditions and in Iran's rights.Ultimately this thesis with introducing some beneficial and abridged materials leads to this point that we can accept the limitation condition of business in statute of Iran as respects to code 10 of civil law,if conditions above be obeyed,especially not being conflicted with public order.

Keywords : Business restrictions on condition . Trade secrets. Freedom of contract. Contract work
