

Investigating the Legal and Legal Principles of Crimes Against Family Rights and Duties

ghodseyeh ghanbari*,

Abstract The basics of criminalization of crimes against the family law and rights are always one of the most important issues in the field of the philosophy of criminal law. In this research, Done attempts are considered to find the foundations of the criminalization of such crimes by asking questions such as: what are the basis of the criminalization of such crimes? On the other hand, family-related crimes included crimes that are subject to special criminal penalties due to their specific victimization as well as the importance of maintaining sanctity and the health of the family. Since the beginning of the legislative process in Iran, crimes against the family and its members have always been considered, and various laws of supportive criminality have emerged the family. Islamic law and penal codes provide punishments for various crimes against family chastity and ethics. Hence, in this study, we will examine the legal and juridical foundations of crimes against family law and duties. **Key words:** criminality, family, crime, basics.
