

Study of the rules and nature of innate and national apostasy by perspective of the Islamic fivefold religion

Esmaeil Movaghari*, Seyed Ali Mirebrahimi,

The words “Apostasy” which refers to the word “Disavow or deny” lexically means recurrence. In the religious culture, return to profanity thoughts calls apostasy. In All Islamic religions, return of faith known as being blasphemous intentionally and consciously; and apostasy proofs by denying the fixed rules that is behaviors such as insolence to the sacredness of the God and the holy prophet (peace be upon him), licit the taboos and prohibitions, deny the obligations and so on. In addition to denying the principles of Islam, the Shias believe that denial the principles of the Shiite religious (justice and imamate) are part of and cause the apostasy. Of course the issue of apostasy and criminal sentences about it does not apply to the Islam. In some other religions and sects when someone chooses some religion except the chosen one, he considered as an infidel and because he returned his former religion and choices new one he called apostate and will be punished. Of course, it should be noticed that apostasy is on two part : 1-natural apostasy 2- national apostasy; that its quiddity and rules will be comprehensively reviewed by the view point of Islamic religions in the current essay.

Keywords : Key words: apostasy, natural apostate, national apostate, criminal sentences.
