

The impact customary on the rights and obligations of spouses and common law developments

Zahra hamrahi*,

It is clear that customary before the advent of emerging legislative and legal rules The governing human society has its origins in customary law and customs of the people emerged As far as today is the influence of custom and customary rules in the legal system no secret s not. No doubt all legal systems based on the customary and legal relations and social They were set on the basis of this customary is no common position are not true Unless it is accepted within its territory Grdd.az the law, family law Compared with other disciplines most affected were customary is the customary in rights issue Assignments couples is how much influence? Or how much the relationship between common law and common law rights the couple has given assignments? The results indicate that the common law with respect to The nature, characteristics and features of the rights and duties of couples like dowry, alimony, child custody influence This has significant rights and obligations. It should also be noted that cases such as determining And the extent of alimony, wages for example, during the marriage, the I and and done with standard customary.
